## CB125F

The fun and economical CB125F. LAMS approved this is an ideal commuter bike for learners or perfect for experienced riders who want a cost effective commuter. Classic Honda big bike styling sets this bike apart from other commuter bikes, while you have the benefits of a small bike around town.

Electric start makes it easy for you to get going, and the super fuel efficient eSP (enhanced smart power) fuel-injected engine with 5-speed transmission offers low emissions, impressive fuel economy and low maintenance costs.

Add a fine-handling chassis and 18 inch wheels and you have great around-town performance, stability and control.

Easy to ride, lightweight and serious fun. Where are you going? Thats up to you. Now, you have choices.
